Tangerang Selatan, Banten | 082130815541 | tamimmadisma@gmail.com

ABOUT ME

Business Management graduate with hands-on experience in marketing, consumer research, customer acquisition, and business operations. Experienced in analyzing market trends, developing promotional initiatives, engaging customers, and monitoring performance to support business growth. Strong interest in brand activation, consumer engagement, and data-driven marketing.

EXPERIENCE

SELLKPOPVT

2021–2025

Founder / Owner

- Analyzed customer demand, purchasing behavior, and market trends to identify opportunities and inform marketing strategies.
- Managed customer acquisition, pricing, digital marketing, sales, and customer retention across Southeast Asia, Europe, and the United States.
- Developed and executed promotional initiatives, monitored campaign and sales performance, and adjusted strategies based on customer response.

PT SARI RASA

2024–2026

Business Partner

- Evaluated business and market potential to assess investment opportunities and business viability.
- Provided occasional oversight and collaborated with the owner to address financial and operational issues.
- Communicated with business and banking stakeholders regarding operational and funding requirements.

PT CAHAYA SEGARA INDONESIA

2026 | Project-Based

Freelance Administrative & Executive Support

- Prepared business reports, proposals, presentations, pricing proposals, and tender submissions by analyzing and consolidating technical and commercial information based on client requirements.
- Coordinated time-sensitive tender activities with submission deadlines of 2–3 days, following up on requirements and deliverables to ensure accurate and timely submissions.

ECOPLAST ID

2018–2019

Chief Marketing Officer

- Contributed to marketing strategy, market positioning, consumer targeting, and promotional initiatives for a student-led sustainable business.
- Developed and presented the company's value proposition, business model, and market potential to venture capital firms, investors, and competition judges.

TECHNO ENTREPRENEUR CLUB (TEC), ITB

2018–2021

Student Entrepreneur

- Co-founded and operated a student beverage business, managing supplier sourcing, production, inventory, quality control, sales, and customer engagement.
- Developed sales strategies and negotiated canteen rental and revenue-sharing arrangements to support sales performance and minimize product losses.

EDUCATION

INSTITUT TEKNOLOGI BANDUNG (ITB)

2018–2026

Bachelor of Business Management | Concentration: Management & Marketing

GPA: 3.44

- Combined marketing and financial analysis to generate consumer insights using SPSS, PCA, and regression analysis.
- Developed and sold beverages, snacks, and vegetable-based ice cream; supplied fresh juice to 10 ITB canteens.
